

You're Invited

Hello

You're invited to our 'GIVIT back' event supporting GIVIT's Ready to Learn Appeal!

Help disadvantaged children access digital devices so they don't fall behind at school, enable families in financial hardship to buy uniforms and school books, or support a single mum to enrol in further education to improve her kids' lives.

Join us at our fundraising event supporting vulnerable Australians to overcome social and economic inequalities and fulfil their education goals. Let's make real and positive differences to the lives of Australians in need. Help spread the warm and fuzzies and GIVIT to those in need at our delightful charity event!
